A message from James Lloyd, the youngest member of the Eastbourne United Nations Association, and a founder member of the Eastbourne Peace Child cast:

*"I have always been concerned with world events, distressed by famine, and appalled by war so you can imagine how I felt to be chosen as a delegate to the Peace Messenger's conference representing Eastbourne in Sochi, a Russian Leisure resort on the Black Sea in June 1991. It was the most amazing experience of my life, and a fascinating insight into the lives of people all over the world.*

*"I joined the United Nations Association to express my own sentiment, to end starvation, homelessness, dangers to our environment and ending the obscenity and insanity of war!*

*"If you believe it is time we, as people, need to reach out to one another more, and care about the problems this world faces, then don't waste any time - join the Eastbourne United Nations Association.*

*"To provide the vision of the Future, we need YOUR voice."

## 1. PEACE DAY

Come into my joy, Come into my pain  
Come you be a friend of mine.  
I'll be the same. (x 2)

As I go through my years  
with many thousand tears  
I never see my guiding light  
The clouds in front of me won't  
ever let me see

I've grown so weary of the night  
I've tried so many times to read  
between the lines

But the words keep turning round  
And a thousand fears keep  
ringing in my ears

And I'm so weary of the sound -  
So give me Peace Enough,  
Peace Enough, Peace Enough!  
So give me peace enough,  
for peace of mind

Everything's coming up sunshine!

Peace Day, Peace Day we all say  
Happy world, holiday.  
Wear a leaf and show the way  
Celebrating this peace day.

Peace Day, Peace Day sing and dance  
It will be a big romance  
People of the world as one  
Peace Day, peace Day has begun.

Celebrations, jubiliations,  
Laughter, shouting, lots of fun  
Singing, dancing, take your partner  
Happiness for everyone

Peace enough for all mankind  
Healthy body, happy mind  
Faith and love the world as one  
Peace Day. Peace Day has begun

Come into my joy.  
Come into my pain.  
Come you be a friend of mine  
I'll be the same

## 3. CHILD FOR A DAY

I was a child who ran full of laughter  
I was a child who lived for a day  
My eyes full of sunshine  
My heart full of smiles,  
I was a child for a day

We were the children who sang in the morning  
We were the children who laughed at the sun  
Who listened to those,  
Who spoke with their wisdom  
We were the ones we would say

We're getting older as time goes by  
A little older every day

We are the men who worry of nothing  
We are the men who fight without aim  
Who listen to no one  
Yet speak of our wisdom  
We are the pawns in the game -

We're getting older .... etc.

## 4. WAR

We'll fight our way to distant hills,  
A bloody battle have  
We'll raise our sword and kill them all  
We'll raise our countries flag!  
We'll kill our brothers, kill our friends,  
Kill each other till the end!  
We'll kill our women, children too,  
Kill them all until we're through  
Kill them all until we're through.

God save our land, long live our flag,  
On to the war we go - praise to our dead  
But who says we're right,  
Who says we're wrong  
Honour and pride - to this we belong!

Oh come and save us!  
Oh come and save us!  
Oh come and save us from what we do!  
Our world is through!

But who can save us! But who can save us?  
But who can save us from what we do?  
God - where are you?

## 5. MILITARY INDUSTRIAL COMPLEX

It's a military industrial complex - (again)  
Indestructible immovable object  
The ego at large, a tragical farce  
Uncontrollable horrible shambles  
Such a sorrowful sight, everyone's right!

Oh - what a hopeless case it is!  
No one really cares!  
Oh - what a crazy world this is!  
No one can win this race -

Because the bigger they build  
The faster they go  
The greater the bang  
Spells the end of man!

It's a military industrial complex,  
Isn't it sad, the world is quite mad!  
A passionate emotional subject  
Who's right and who's left -  
It's anyone's guess!

An inexplicable typical jungle  
No one to blame for this ridiculous game!  
Uncontrollable horrible shambles  
Such a sorrowful sight, everyone's right!

## 6. LISTEN TO ME

So listen to me, hear the words that I say,  
We live in one world so our home is the same  
The same sun is our fire,  
The same clouds give us rain  
So whatever you may desire,  
Our future's the same.

So open your eyes, take the truth as it stands  
We have but one earth so we must share the land  
The same moon is our lantern,  
The same sky is our roof,  
So whatever your reasons,  
Come follow the truth!

Say not that you're rich, nor that you are poor  
Say not that you're less, nor that you are more  
Say only we are friends  
And we want to live in peace  
In this here our world,  
Let all wars cease.

For where would we go if this world we destroy?  
We have but one home - this earth - to enjoy  
The same earth fills our hunger,  
And we all breathe the air,  
So change your desires,  
This earth we must share -

Say not that your rich - etc.

## 7. I WANT TO LIVE

I want to live, I want to live  
The right to live my life  
I want to search far and wide  
Have the right to wonder why  
I want to fly through the air  
Like a bird in the sky,  
I want the chance to see the world  
What I am before I die.

I want to be, I want to see  
A world that's good and free  
I want a home, someone to love  
To share their life with me  
I want to have and to hold  
A child of my own  
I want to live, I want to love  
The right to grow old....

I want to live, I want to live  
The right to live my life  
I want to search far and wide  
Have the right to wonder why  
I want to fly through the air  
Like a bird in the sky,  
I want the chance to see the world  
What I am before I die.  
I want to Live!

## 8. I GOTTA STORY

A-tic-a-tac-a-shoo-ee! A-tic-a-tac  
-a-shoo-ee!  
A-tic-a-tac-a-tic-a-tac-a-tic-a-tac  
-a-shoo-ee! (x 2)

Extra, extra, read all about it!  
Headlines, Headlines - no doubt about it!  
Extra, extra - read all about it!  
Headlines, Headlines - take it home  
and shout it!  
[- BREAK -]

It's a story! We really gotta story!  
Headline Story, definitely front page news -

Newsnight, satellite, print it right,  
Broad side, nationwide, any side!  
Front page, centre fold, get it sold!

Extra, extra - read all about it!  
Headlines, headlines! - no doubt about it!  
Extra, extra - don't go home without it!

Front Page! Build it high!  
Print it bold! Reach the sky!  
Make 'em shout! Make 'em cry!

Children Meet the President!!

## 9. I'M SORRY

I'm sorry - I wish I could  
But I can't, it's too late  
We've gone too far to change our ways  
To undo what has been done!

Forgive me, you may be right  
It all may happen some future time  
But I am helpless on my own  
To undo what I have said -  
It's an impossible dream  
One I'd love to share!  
An impossible dream  
If only I could dare

I'm sorry, what can I do?  
If only I was young like you  
If only I could see it through  
And believe - believe like you -

An Impossible Dream!  
One I long to share!  
(spoken) An Impossible Dream - !  
If only I could dare.....

## 10. SING !

Sing! I do wish the world would sing!  
I do wish the world would say  
How they love to live and play  
How they need each other's -

Peace! That is all we want to have,  
That is all we want to share  
Let us live our lives in peace  
Oh let us give this life a chance to -

Love! - love is all I need,  
Love is all I want,  
Love is everywhere!

Peace! - Peace is all I want,  
Peace is all I need,  
Peace - everywhere!

Come into my joy,  
Come into my pain,  
Come - you be a friend of mine,  
I'll be the same

(Repeat x 3)

### 11. REACH OUT

Reach out for a star!  
Come out from where you are  
Show me what you can do  
Believe in me, I believe in you!

Reach out for your dream  
It's not as hard as it may seem  
Together we can make it through  
Together - me and you!

Wake up! - open your eyes,  
This is our world, our paradise.

Reach out, don't be afraid  
Come on now, we'll find a way  
There's a whole new for us to see  
There's a universe in you and me.

Reach out, put your hand in mine,  
Oh see! - see how we shine!  
Together - we'll make it through,  
Together - me and you!

Don't be shy, just be yourself!  
You are your greatest wealth!

Reach out for a star!  
Come out from where you are  
Show me what you can do  
Believe in me, I believe in you!  
Show me what you can do  
Believe in me, I believe in you!

### 12. WORLD

World, look at the way we are,  
Look at the things we do  
Look at the words we say  
Life - look at the way we live,  
Look at the love we had  
Look at the things we've made

Gone, gone are all those lovely days  
Gone are all the peaceful ways  
All that's left is old and grey  
And our world is fading,  
Our world is dying - today.

### 13. I HAVE A VISION

I have a vision, I have a dream,  
I have the answer - or so it seems.  
Don't you see the truth, to fight is not right,  
We will have our rainbow,  
We will have our sunlight - !  
If we unite!

There's a way you see, where no one gets hurt  
There's a way with love if you try!  
There is hope and faith to keep you alive  
In your darkest day, just pray!

Reach out with love, gather all your courage,  
Reach out with love, seek a brighter day!  
Love as our sword, peace as our weapon  
Reach out with love! Let us win this way! -  
Martin Luther King had a vision, -  
He had a dream,  
He had the answer - or so it seemed.  
He could see the truth - to fight is not right!  
We can have our rainbow -  
We can have the sunlight!  
We must unite!

A new world,	A new light!
A new world,	A new light!
A new hope!	A new light -

### 14. MR PRESIDENT

Mr President, is it true what they say?  
You can kill all the world in less than a day -  
Mr President, is it true what I hear?  
Because of men's greed, we must all live in fear?  
Mr President, can it be what it seems  
There will be no more love,  
There will be no more dreams -

Oh No! (Oh No) It's plain to see  
(It's plain to see)

But so hard to understand,  
That this world we all love  
Is fading away, dying today!  
Oh No! (oh no) It's not fair!  
(it's not fair)

That adults should have the right  
For the sake of their greed  
They can make our world die  
Without asking why - Oh NO!

Mr President - it's a time to be brave,  
Announce to the world -  
This will be a PEACE DAY!  
The first Peace Day!!

### 17. PEACE IN THE HEART

La paix du monde!  
Aqiu llogo la paz; Mir u Mir  
Amani duniama - amanii  
Heiwa Seika Heiwa!  
Aaaah - salaam a-ahlaikum ala kum seila  
Everybody's singing, singing Peace in the Heart  
Everybody's saying, saying Peace in the Heart  
Everybody's dancing, dancing Peace in the Heart  
Everybody's feeling, feeling Peace in the Heart

### 18. PAVEL'S SONG

All the time, through the day and through the night  
I think about my life in this world  
So many times I've tried to find  
A way to live my life, a way to ease my mind!  
I know this world could die forever,  
And people are the reason why  
Children and parents, lovers and poets  
We just can't hear our planet cry -

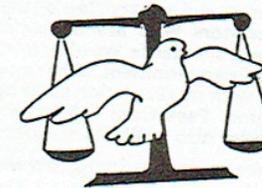

We want this world to survive for ever  
And all the people join their hands together  
In a bond of love, kindness and friendship  
We can make peace with the earth

So many people have died in wars  
And we want that no one else should suffer  
Not again!

We mustn't forget that many are poor  
And half of our children lack even food!  
We know this world is a wonderful place  
It's our home where we live and where we grow!  
I want to believe that this world can be  
Peaceful and free - a happy home for all!

We want this world to survive for ever ... (x 3)

Let's join our hands together  
Let's make peace throughout our world!

## TROPICAL RAINFORESTS

### — The Facts

It has been said that McDonald's is involved with the destruction of rainforests of Central and South America in order to raise cattle for hamburgers.

LET'S PUT THE RECORD STRAIGHT. NOWHERE IN THE WORLD DOES McDONALD'S USE OF BEEF THREATEN OR REMOTELY INVOLVE THE TROPICAL RAINFORESTS.

In the UK McDonald's use 100% EEC produced beef, in Canada they use 100% Canadian beef, in the United States they use 100% US beef.

McDonald's restaurants in Central and South America (Argentina, Brazil, Costa Rica, Guatemala, Mexico, Panama and Venezuela) only use suppliers who document that their beef has come from long established cattle ranches — not rainforest land.

It is known that rainforest destruction threatens the well-being of the environment.

McDONALD'S HAS NO PART OF IT.

The Company will continue to monitor and adapt policies and practices as necessary to protect the global environment on which we all depend.

McDonald's foam packaging produced in the UK is now CFC free and carries the CFC FREE message reassuring customers of this change, since April 1988.

The meat we use is ONLY prime cuts of lean forequarter and round from our 100% pure beef Hamburgers.

McDonald's is Proud to support PEACE CHILD. The child of Achievement Award is due to start once again, please call into your local store for entry details.
